How to access QuickSpecs online?

Online access to QuickSpecs

1. Accessing QuickSpecs via the HPE Marketing Document Library

QuickSpecs online can be accessed via the HPE Marketing Document Library. Visit the QuickSpecs site at www.hpe.com/info/qs. Here you find links to the HPE Marketing Library, further guidance and latest updates.

2. Searching for QuickSpecs

For searching documents on the HPE Marketing Document Library, as a first step, click on Search Active QuickSpecs.
How to access QuickSpecs online?

You will see that there are several hundred QuickSpecs documents available.

As a next step, you can use the faceted search navigation such as **Full text search** and/or **Title search**.

And, you can search per **category/product**, **status**, **audience**.

For viewing your search results, you can set one of the following sorting filters: **Most popular**, **Title**, or **Revision Date**

For searching by ‘Product’, please use the **Categories** filter.
How to access QuickSpecs online?

Enter for example *dl380p* and you will get relevant results –

If you want to reset your search, click on *New Search*.

If you enter *dl380 Gen9* and do a *Search only in title*, you will receive about 2 documents only.

Click on one of the documents, and it will open in .pdf per default. You can also open a document in .html.
More tips and tricks on most powerful searching can be found in the *Helpful tips* link.

3. **“Show snippets” feature**

When running a full text search, you will be able to select the button *Show snippets*. This will help you to find the most relevant information.
